**IV. Answer the following questions:**

**Question 1.**
What do you mean by 'Panchayat'?  
**Answer:**
The word Panchayat literally means a team of five members.

**Question 2.**
How do Panchayats help villagers?  
**Answer:**
A Panchayat solves local problems. It gives training to people in functioning of democracy. The villagers sit together and cooperate in Village welfare works. They also develop administrative and management skills. The people also learn to use their own resources for collective welfare.

**Question 3.**
What are the advantages of Village Panchayats?  
**Answer:**
There are many advantages of Village Panchayat as there are some basic requirements for a healthy living, such as clean drinking water, cleaning and lighting of roads, medical facilities, primary education for children, roads for transport, etc. Village Panchayats provide for these requirements. Since villagers are more aware of their local problems, the Village Panchayats are a good solution to these problems.
Question 4.
Explain the importance of local self-government?

**Answer:**
For development of a community, participation of the local people is very important. Local people know their problems and they understand the needs of their community or locality. When the people of a locality get together to solve their day-to-day problems and fulfill their needs, the government established for the same is called local self-government. Local self-governing bodies develop local leadership that later helps the state and central governments in sharing the burden of work which thus gets done quicker, better and cheaper.

Question 5.
Name the three institutions of the Panchayati Raj. At what levels do they work?

**Answer:**
1. At the lowest level are the Village Panchayats.
2. At the block level it has Panchayat Samiti.
3. At the district level is the Zila Parishad.

Question 6.
Explain briefly the composition and functions of a Block Samiti?

**Answer:**
Composition of a Block Samiti — The Pradhans and Panchas of the Village Panchayats in a block choose their representatives to the Block Samiti. Besides such representatives, there are other members as well. The members elect a chairperson and vicechairperson. The chairperson looks after everyday’s work of the Block Samiti. **The term of a Block Samiti is five years. Functions of a Block Samiti**

1. A Block Samiti supervises the working of the Village Panchayats.
