The candidates will have to pay a specific amount of fees for getting admission to a particular course before the notified date. Candidates should check the university prospectus and the website to get fees related information.

JMI University UG Admission Process without CUET

Jamia Millia Islamia University prepares a rank list based on the entrance exam score of the candidates.

While preparing the rank list the university authorities consider different reservation and relaxation policies as well as the provisions of University Ordinances.

Through the rank lists, the candidates are provisionally selected for admission and the university publishes the list on the website at the scheduled time or on the date as notified by the university.

The lists of the selected candidates for an interview get also published on the official website.

The university may allow spot registration for the designated and waitlisted candidates for UG admission based on merit and eligibility criteria.

JMI norms, candidates' merit, and choices mentioned in the application form are considered for seat allocation.

On the submission of the fees, the admission gets completed. All the fees must be paid through a single instalment before the informed date.

Candidates are advised to check JMI prospectus 2023-2024 to get information on the courses wise fee structure.

Note: The admission of the candidates who apply for B.Tech, B.Arch and BDS programmes depends on the ranks provided by the entrance test conducting agency.
