Dr. Harisingh Gour Vishwavidyalaya UG Admission Process 2023

Dr. Harisingh Gour Vishwavidyalaya UG admission 2023 will start soon as the CUET 2023 result are declared. Once the NTA hand over the scorecard of the applicants, the university will prepare a merit list on their end. The merit list will be prepared based on the scores obtained in CUET 2023 exam. Apart from the CUET scores, the

university will also assess an applicant's candidature by the eligibility criteria mentioned by the university.

The merit list will be published on the university website. The candidates whose names will appear on the merit list will have to seat for the counselling sessions. They will have to maintain the university allotted date and time for counselling. Candidates need to produce all the testimonials asked for admission. The documents will be thoroughly verified by the university. If at any stage, the documents do not match the information provided, the applicant's candidature will get rejected. Apart from that, the university shall cancel the admission if misconduct and irregularities are found at any stage of the admission process. The seat availability, relaxation, and reservation policy will also be considered for the final admission. Candidates can check the official websites of the university for the latest admission updates.

General Admission Rules of Dr. Harisingh Gour Vishwavidyalaya

Candidates who appeared/ appearing in the last qualifying examinations must appear in the CUET UG 2023 exam.

Original mark sheets of the qualifying examinations must be produced at the time of counselling without which the final admission shall not be allowed.

The university shall allow a provisional admission for the candidates who have attended the last qualifying examination and their results are not published till the counselling date.

The university has instructed these candidates to produce their final year results tentatively by October 31, 2023. If any candidate misses this deadline, their candidature will get cancelled automatically.

The university can increase and decrease the seat numbers.

Candidates will have to pay the online counselling fees through a portal and the amount will be declared later by the university. The counselling fees for Dr. Harisingh Gour Vishwavidyalaya UG Admission 2023 shall be the same for all categories and cannot be refunded.

Candidates are suggested to read and understand the fee structure for Dr. Harisingh Gour Vishwavidyalaya UG courses before they apply for their desired courses.

The appearance in CUET exam 2023 is not the sole factor for the final admission. The candidates must have met the eligibility norms specified by the university.

Certificates/ Degrees of The Association of Indian Universities will be considered equivalent only.

The university keeps on posting updates on CUET 2023. Candidates need to visit the official website of the university to stay updated.
