

CUHP UG Admission through CUET

Central University of Himachal Pradesh

The candidates will have to fill out the application form on the official website at cuhimachalcuetsamarth.edu.in. CUHP offers BSc, BA, BFA, and B Voc degrees at the undergraduate level. Except for the BFA programme, which is delivered over eight semesters, all other undergraduate programmes are six semesters long. The BSc and BA programmes require 140 UG credits to complete the degree. On the other hand, the BFA programme requires 192 UG credits, while the B Voc programme requires 180 UG credits.

Through its 11 academic schools and numerous departments of study, the Central University of Himachal Pradesh (CUHP) offers a variety of undergraduate, postgraduate, and doctoral degrees. These programmes are available in a variety of disciplines, including Science, Humanities, Commerce & Management, and Vocational Studies. The university confers the following degrees: MSc, MA, MBA, BA, BVSc, MPhil, and PhD. Other than Economics, all other courses will require CUET 2022 scores for admission to CUHP.

Candidates interested in attending the Central University of Himachal Pradesh must apply online through the university's official website. The University offers over 45 courses in a variety of disciplines, including sciences, arts, management, technology, business administration, social work, education, hospitality and travel, and many others. The candidates can check the direct link to register themselves for CUHP CUET UG admission 2023.

The Central University of Himachal Pradesh only accepts applications via online mode. Admission to CUHP is based on both merit and entrance examination. Except for BFA and B Lib I Sc courses, Central University of Himachal Pradesh UG admission is based on Class 12 examination merit. Candidates seeking admission to B Lib I Sc are required to take an entrance exam administered by the University. The CUHP CUET UG Admission 2023 is based on the candidates' performance, seat reservation, and seat availability and it will be declared after the declaration of the final merit list. Candidates with a very good score in CUET UG 2023 will have a maximum scope of admission in CUHP. But, the candidates must fill out the forms before the last date to be eligible for the admission process.

CUHP UG 2023 Important Details

The following is important information about the Central University of Himachal Pradesh 2023 application process.

Online applications should be submitted via websites.

To obtain a registration number and password, candidates must complete the application form completely.

The online application fee is Rs. 200/- for general candidates.

CUHP UG 2023 Admission Process through CUET

Undergraduate students are admitted to CUHP based on their academic performance in the qualifying examination. For some undergraduate degree programmes, there will be a CUET Entrance Examination for UG Courses Admission, as admissions will be offered based on the score obtained in the CUET 2023 entrance examination.

The University will release the list of shortlisted UG candidates after the CUET 2023 results are announced. At that time, the merit list will be made available to all registered candidates. The merit list will include the names of those who have been shortlisted for the counselling process, as well as their rank. Furthermore,

candidates will be invited to the counselling process based on their position on the admissions merit list.

Furthermore, the participating universities will publish the CUET 2023 merit list. The merit list identifies candidates who have met the cut-off scores and rank and are eligible for counselling. Candidates should be aware that the minimum marks required for related disciplines vary depending on the CUET participating universities. Candidates selected from the CUET 2023 merit list for various UG programmes must attend an online/offline counselling session at a participating university. Finally, the final decision will be made by the admission selection committee.
