

Pondicherry University UG Admission through CUET

Pondicherry University UG Admissions 2023: The Undergraduate admissions of Pondicherry University through CUET will commence in the first week of July 2023. CUET UG 2023 registration process commenced on February 09, 2023. The extended date to submit the CUET application form 2023 is March 30, 2023. The application form correction window will be opened on April 01, 2023, to April 03, 2023. CUET UG 2023 is all set to be conducted from May 21 to 31, 2023. Then the Central University of Odisha will initiate the registration process for the candidates who have qualified in the examination. Based on CUET UG scores, the university offers 5-year integrated programmes. Candidates who have taken the exam and want to study in one of the colleges affiliated with this university can go to the official website, pondiuni.edu.in, and fill in the application form.

Pondicherry University has taken an outstanding decision by embracing the Common University Entrance Test as a gateway to its 5 Year Integrated PG Programmes. In its 37 years of journey, a lot of changes took place in the university. Accepting CUET has become the most notable one. The conventional mode of college and university admission process has evolved now. With CUET 2023, the admission procedure has become more straightforward than ever. It has emerged as a mandatory entrance test for enrolling in all the central universities of India. Other than the central universities, students will get admission to the private and deemed to be universities through it.

The Common University Entrance Test is the result of immense effort jointly done by UGC and NTA. Their sole aim was to introduce a quality assessment through which the efficiency of the students will be tested. Besides, it should have been an assessment system that supports equality and fairness in judging the competence of the students. CUET has met all the criteria UGC set for. Students of all boards can appear for the CUET 2023 exam. The scores secured in this entrance test will be considered more important than the board results. So, an equal, impartial and effective admission will be held in the academic session 2023-2023 through CUET.

Pondicherry University was established in October, 1985 with the mission of providing technologically advanced learning and research facilities in the field of

education. Since its beginning, it has served the country by making social transformation through its value-based knowledge and cultural integration. Several Masters, Ph.D. Integrated Masters and Postgraduate Diploma courses are offered under different faculty. According to NIRF central university ranking 2021, this university is in the 8th position. Around 5,500 students are part of this university. More than a few candidates have already applied for the Pondicherry University UG Admission 2023 through CUET. Pondicherry University UG Admission 2023 Admit Card

Candidates who applied for Pondicherry University UG Admission 2023 through CUET must collect the CUET Admit Card 2023. The admit card can be collected from the NTA portal. The CUET 2023 admit card will be emailed to the candidates' registered mail-id. Therefore, they can download it from their email too. A printable copy of the admit card should be carried on the exam day. It is advised that they carefully check the details provided on the CUET admit card.

Pondicherry University UG 2023 Admission Process

The university is allowed to independently execute its admission process for Pondicherry University UG Admission 2023 through CUET. It will start its admission procedure for 5 years of Integrated PG Programmes only after the announcement of CUET result 2023. According to NTA, all the participating universities can set their terms and conditions for the admissions. NTA will not interfere in that. For the selection of the candidates, the university may prepare a merit list based on the CUET scores. The scores earned in the CUET will be the primary factor in selection. The board results, eligibility criteria, seat numbers, and reservation rules, all of these will be considered as the secondary factor. The selected candidates may be called for the counselling/interview sessions. And the final admissions will depend on the quality of the interview sessions.

General Conditions for Pondicherry University UG Admission

The university prescribed norms for the Pondicherry University Admission 2023 are as follows:

The university does not allow any discernment of caste, creed, language, or race for the admission of the students. The only condition it considers is the prescribed eligibility criteria. Candidates are bound to meet the set eligibility criterion for getting admission to this university.

Candidates qualified in other study systems are also allowed to enrol on courses provided they get an eligibility certificate from the university. And this certificate must be taken before admission.

Candidates will have to obtain a group health certificate as instructed by the university.

For hostel accommodation, candidates need to inform the concerned department before registration and counselling.

University possesses the right to cancel a course due to some administrative reasons.

The university will verify the required documents according to the existing norms.

Instructions on Payment of Fees

The university has some set of instructions for the payment of fees. The following points must be checked before paying the admission fees:

The fees need to be submitted at the admission time.

For each semester, the prescribed amount of fees should be deposited within 10 days of the commencement of the semester.

If the prescribed final date is a holiday or Saturday or Sunday, then the preceding day will be the last date of fee payment.

SC/ST Candidates eligible for Post-Matric scholarships and Top-Class Scholarships need to pay the fees once they receive the scholarship amount.

University has exempted the differently able candidates from all kinds of fees payment except the Group Medical Insurance premium and refundable cautions deposits. But, if they receive any Government Scholarships, they will not be exempted from the fees.

The fees should be paid online only. And for the late submission of fees, an amount of the late fee shall be imposed.

The relaxation of fee payment may be done by the Vice-Chancellor or the other officials on the recommendations of the Academic Advisory Committee.
