Degree	Eligibility Criteria
Integrated B.Tech and M.Tech in Metallurgical and Material Engineering	<p>Candidates should have passed in 10+2 or equivalent examination from a recognized board.</p> <p>Aspirants should have studied Physics, Chemistry, and Mathematics in their Class – 12.</p> <p>The minimum percentage required for the General category is 45% or equivalent grade.</p> <p>For SC/ST/OBC and PWD categories of students, the required percentage of marks is 40% or an equivalent grade.</p>

Degree	Eligibility Criteria
Integrated B.Tech and M.Tech in Electrical Engineering	<p>Students interested to apply for the course, must have qualified in Intermediate (Class-12) from a recognized board.</p> <p>Physics, Mathematics, and Chemistry are mandatory subjects that they should have studied in Class- 12.</p> <p>General category students must have a minimum of 45% of marks or equivalent grade.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 40% or an equivalent grade.</p>
Integrated B.Tech and M.Tech in Civil Engineering	<p>Aspirants should have passed in 10+2 or equivalent examination from a recognized board.</p> <p>Candidates should have studied Physics, Chemistry, and Mathematics in their Class – 12.</p> <p>The minimum percentage required for the General category is 45% or equivalent grade.</p> <p>For SC/ST/OBC and PWD categories of students, the required percentage of marks is 40% or an equivalent grade.</p>
Integrated B.Tech and M.Tech Computer Science & Engineering	<p>Students, who would like to apply for the course, should have qualified in Intermediate (Class-12) from a recognized board.</p>

Degree	Eligibility Criteria
	<p>Physics, Mathematics, and Chemistry are mandatory subjects that they should have studied in Class- 12.</p> <p>General category students must have a minimum of 45% of marks or equivalent grade.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 40% or an equivalent grade.</p>
Integrated B.Sc and M.Sc in Geography	<p>Aspirants for the course must have qualified in 10+2 or equivalent examination in science stream from a recognized board.</p> <p>Candidates of the General category must have 50% of marks in the qualifying exam, in the case of the reserved categories, they must have 45% of marks or equivalent grade.</p> <p>Candidates, who have studied Mathematics, will be given preference.</p>
Integrated B.Sc and M.Sc in Geology	<p>Candidates should be qualified in 10+2 or equivalent examination in science stream from a recognized board, in order to apply for the course.</p> <p>The minimum and required percentage of marks for the General Category is 50% whereas, for the reserved categories, it is 45% or equivalent grade.</p> <p>Candidates with Mathematics will be given preference.</p>

Degree	Eligibility Criteria
Integrated B.Sc and M.Sc in Environmental Studies	<p>Candidates must have qualified in 10+2 or equivalent examination with Physics, Chemistry, Biology , or Mathematics.</p> <p>General category students must have a minimum of 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC- NCL) must have is 50% or equivalent grade.</p>
Integrated B.Sc and M.Sc in Life Sciences	<p>Students interested to apply for the course, must have qualified in Intermediate (Class-12) from a recognized board.</p> <p>Biology or Biotechnology, Physics, and Chemistry are mandatory subjects that they should have studied in Class- 12.</p> <p>General category students must have a minimum of 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC-NCL) must have is 50% or equivalent grade.</p>
Integrated B.Sc and M.Sc in Physics	<p>Students interested to apply for the course, must have qualified in Intermediate (Class-12) in Science Stream with Physics as a compulsory or optional subject.</p> <p>General and EWS category students must have a minimum of 55% of marks or equivalent grade in aggregate.</p>

Degree	Eligibility Criteria
	<p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 50% or equivalent grade.</p>
Integrated B.Sc and M.Sc in Mathematics	<p>Candidates must have qualified in 10+2 in Science Stream with Mathematics as a compulsory or optional subject.</p> <p>General and EWS category students must have a minimum of 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 50% or equivalent grade.</p>
Integrated B.Sc and M.Sc in Chemistry	<p>Candidates should have passed in 10+2 or equivalent examination from a recognized board.</p> <p>Aspirants should have studied Chemistry either as one of the main subjects or optional subjects with the combination of Physics/ Biology/ Mathematics/ Geology/Computer Science in their Class – 12.</p> <p>General and EWS category students must have a minimum of 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 50% or equivalent grade.</p>

Degree	Eligibility Criteria
Integrated B.A and M.A in Mass Communication	<p>Aspirants in order to apply for the course must have passed 10+2 or equivalent examination in any discipline.</p> <p>Candidates of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>
Integrated B.A and M.A in English	<p>Students must have passed a 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the +General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>
Integrated B.A and M.A in Hindi	<p>Aspirants in order to apply for the course must have passed 10+2 or equivalent examination in any discipline.</p> <p>Candidates of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>

Degree	Eligibility Criteria
Integrated B.A and M.A in Korean	<p>Students must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 50% or equivalent grade.</p>
Integrated B.A and M.A in Chinese	<p>Aspirants in order to apply for the course must have passed 10+2 or equivalent examination in any discipline.</p> <p>Candidates of the General category should have obtained 55% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 50% or equivalent grade.</p>
Integrated B.A and M.A in Anthropology	<p>Students must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 45% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 40% or an equivalent grade.</p>

Degree	Eligibility Criteria
Integrated B.A and M.A in Political Science	<p>Candidates must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>
Integrated B.A and M.A in Economics	<p>Students must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 45% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 40% or an equivalent grade.</p>
Integrated B.A and M.A in History	<p>Candidates must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>

Degree	Eligibility Criteria
Integrated B.A and M.A in Sociology	<p>Aspirants in order to apply for the course must have passed 10+2 or equivalent examination in any discipline.</p> <p>Candidates of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 45% or equivalent grade.</p>
Integrated B.A and M.A in Philosophy	<p>Students must have passed 10+2 or equivalent examination in any discipline.</p> <p>Aspirants of the General category should have obtained 45% of marks or equivalent grade in aggregate.</p> <p>The minimum percentage of marks that candidates of reserved categories (SC/ST/PWD/OBC) must have is 40% or an equivalent grade.</p>
Integrated B.Com and M.Com in Commerce	<p>Candidates must have passed 10+2 or equivalent examination with commerce/Economics/Maths/Computer Science/ Finance/Financial Market/Management as one of the subjects.</p> <p>Aspirants of the General category should have obtained 50% of marks or equivalent grade in aggregate.</p>

Central University of Jharkhand CUET 2023 admission process will begin after the result of Common University Entrance Test 2023 gets declared. Only the qualified candidates of CUET 2023 will be able to fill in the admission form of CUJ for the admissions to the courses offered by CUJ through CUET. Initially the qualified candidates will have to fill in the admission form, which is available on the official website of the University. After the submission of the admission form, the Central University of Jharkhand will release a merit list on the official portal. Candidates whose names reflect in the merit list are eligible for admission. Next, candidates should attend the counselling process on the already mentioned dates. This will be followed by paying off the course fee and attending the classes.
