

Lesson -15

My Dog

1. Do you have any pet?
2. What do you call it?
3. Do you play with it?

I do not love my dog because
He's good at doing tricks,
Like standing on his two hind feet
or fetching balls or sticks.

I do not love my dog because
He is gentle and polite,
And barks to drive away the things
That prowl around at night.

I do not love my dog because
He really is quite fine,
But oh, I love my dog because
I'm his and he is mine.
