

**SPANISH (CODE: 096)**  
**CLASS IX**  
**2020-21**

The following learning objectives apply for class IX.

**General objectives:** The general objective of this course is to introduce the basic elements of Spanish Language and Culture on the basis of promotion of language acquisition and development of receptive, productive and interactive skills through the study and usage of a range of written and spoken material so that students are able to respond and interact appropriately in a defined range of everyday situations at a basic level. The latter aspect means that the speaking and listening skills are adequately assessed as part of the practical learning. The use of audio-video materials should be incorporated into teaching- learning process to enhance the oral comprehension and oral expressions. Teachers should include group activities such as role-play, dialogues with classmates in order to emphasize the communicative aspects in teaching and learning.

It should be ensured that value-based didactic exercises as well as use of ICTs are incorporated into the teaching-learning process.

### **Internal Assessment for Class – IX (Spanish)**

The weightage of internal assessment is 20 Marks and is divided into the following components:

#### **A. Periodic Tests (2 best out of 3 to be counted) – Total weightage 10 out of 20.**

- Test to be based on grammar and reading comprehensions being taught. The effort should be to monitor the progress of the learner towards meeting the course aims and objectives.

#### **B. Notebook submission–Total weightage 05 out of 20.**

- Learners are expected to maintain notebook for class work and other home-based enrichment exercises.

- Assessment may be done on the basis of regularity on:

- assignment completion
- neatness and upkeep of notebook

- Teacher is expected to provide regular feedback to the learners and identify learner's strengths and weakness.

#### **C. Subject enrichment activity – Total weightage 05 out of 20.**

- The teacher should assess learners on the skills of language learning namely, listening and speaking. The assessment should be done on 20 marks, 10 marks each for listening and speaking.
- Two out of three tests shall be counted. The teacher should assess the learner's ability to communicate and use the basic structure of the language with appropriate vocabulary. The teacher should also ensure that the interactive skills are assessed at each stage.

Comprehension and Weightage	Suggested activities
Listening	Listening to narrations and handling exercises such as True/False, MCQ, gap-filling and SQPs.
Speaking	Conversation and dialogues, presentation on an unseen visual/verbal stimulus (within the prescribed syllabus and relevant to Spanish – speaking language and culture), spontaneous question answers, recitation and narration.
