Central University of Karnataka UG Application Process 2023

For all the candidates who are interested in pursuing admission in the Central University of Karnataka, was required to fill the application form for CUET 2023 in an online mode on the official website of NTA, the conducting body for the exam. Central University of Karnataka admission process will commence after CUET 2023 results are declared. The candidates must keep in mind the below mentioned steps while applying online for the exam:
Step 1- The candidates would need to visit the official website of the CUET while applying online for the exam.
Step 2- Candidates would then be required to click on the 'Apply Online' tab to register for the required program if they are interested in taking admission.
Step 3- Candidates would be able to see different options on the home page for

undergraduate and postgraduate programs. The candidates would need to select the link they wish to apply for.

Step 4- Candidates would be required to complete the registration process by furnishing the basic details such as mobile number, name of the candidate, date of birth, email-id, and verification code as reflected on the screen.

Step 5- Once the candidate has submitted all the basic and required details, then the application number and password would be generated and the same will be sent to the registered email id and mobile number.

Step 6- The candidates would then be able to log in with the help of the application number and password and fill the personal and academic qualification details as required.

Step 7- The candidates would need to upload the scanned photograph and signature in the prescribed format as per the dimensions mentioned on the official website.

Step 8- Candidates would also need to select the exam centres in order of preference. They would be able to choose up to 3 exam centres and the preference would usually be given to the first choice.

Step 9- The candidates would then need to enter the details of the university where they are interested in taking admission and program they are looking for.

Step 10- The candidates would then need to pay the application fee in either online or offline mode and then submit the application form. Once the fee is submitted after submitting the application form, an automated message gets generated and sent to the mobile number and registered email id. The application fee can be paid through debit card, credit card, net banking, and SBI challan.

Central University of Karnataka UG Admission Process 2023

Central University of Karnataka has around 27 academic departments, three multi-disciplinary centres, and around 10 schools of excellence. For admission to undergraduate courses, the University has different types of specializations such as BSc, BSc (H), BA, and BTech Programs. The admission process to the Central University of Karnataka starts with the declaration of CUET result 2023.

The first step required for the admission process in the Central University of Karnataka is to fill the admission form for the required course.

The admissions to both undergraduate and postgraduate courses are done on the basis of merit in the qualifying examination.

The students need to submit an application fee of INR 1000 for regular courses if they represent the general category. The fee for SC/ST candidates in INR 450 and there is no application fee for the students belonging to PwD categories.

After the declaration of the result by CUET, the Central University of Karnataka will release the merit list for all the courses offered. The merit list will be displayed on the official website of the Central University of Karnataka.

All the students whose names appear in the merit list released by the Central University of Gujarat are eligible to take admission in their selected course.

The students need to confirm their admission by paying the fee for the selected course. The students who have qualified the merit list also need to attend the counseling session as per the dates and timings allotted by the Central University of Gujarat.

The students also need to carry their original documents on the day of the counseling. The students can report to the university campus as per the dates assigned for every course. The dates of different departments of the university can be common or it may vary depending on the counseling dates and total number of confirmed admissions.
