Tezpur University UG Admission Process 2023

Tezpur University has multiple courses at undergraduate, postgraduate, certificate, and doctorate levels. The lists of undergraduate and certificate courses are mentioned in the eligibility criteria section. The admission process to Tezpur University initiates with the declaration of CUET 2023 results. A counselling process is conducted to grant admissions to the universities. The steps for admission process for Tezpur University UG courses is provided below:

The first step involved in the admission process to Tezpur University is to fill the admission form for the required course.

The admissions to undergraduate courses are done on the basis of marks obtained in the qualifying examination.

The students need to submit a counselling fee of INR 500 for regular courses if they represent the general category. The fee for SC/ST candidates is INR 250 and there is no application fee for the PwD students.

After the declaration of the result by CUET, Tezpur University will release the merit list for all the courses offered. The merit list will be available on the official website of Tezpur University.

All the students whose names appear in the merit list released by Tezpur University are eligible to take admission to their selected course.

The students need to pay the course fee in order to confirm their admission to the selected course. They will also attend the counseling session if needed as per the date and timings allotted to them.
