Comprehension 4

Read the passage given below and answer the questions that follow.

APJ Abdul Kalam is also known as the 'Missile Man of India'. APJ Abdul Kalam was the 11th President of India and a great scientist. Dr Kalam worked as a paper boy to support his father. He was not the brightest student in his school but was very hard-working. Once, Dr APJ Abdul Kalam was suggested that broken glass to be put on the wall of a building that needed protection. Dr Kalam refused saying, 'If we do that,

birds will not be able to perch on the wall.' Dr Kalam loved spending time with children. He would patiently answer all the questions that he was asked. On his visit to Kerala after becoming the President, he invited a roadside cobbler who was quite close to Dr Kalam and the owner of the small hotel where Dr Kalam would often have his meals.

A humble and generous man he was known to sign his own thank-you cards.
