No. If you are desperate, you might take unnecessary risks to achieve your goal. If you are 'restless', you will have no peace of mind. ### **English Workshop | Q 7 | Page 127**

Every stanza begins with the word 'if'. How does it add to the effectiveness of the poem?

### **SOLUTION**

Without the word if, the poem would remain as a simple statement of rules for success. By beginning each stanza with the word if, first of all, the poet implies that every human being has the choice of wanting to be successful in life. This is a more effective way of expression. Also by using the word if, he puts forward the conditions that will determine success in any sphere.

Hard work and dedication are the only mantras in the journey to success. Without being passionate and the willingness to work hard, no one can achieve success. There can be several occasions when you may have to deliver Speech on Success. We share here different samples of success speech that will help you in making an impressive speech to the audience. ### SOLUTION

Berton Braley has written this inspirational poem, 'The Will To Win'.

The poet gives us a formula for sure success. He tells us what we should do and what we should avoid doing in order to achieve success.

The poem has no specific rhyme scheme, but rhymes are used randomly all throughout. The most common type is lines ending with the word it: c.g. for it', 'of it', of it': 'without it', 'about it': 'beget it', get it'; 'sweat for it'. 'fret for it' and so on. Other examples are "capacity', 'sagacity'. tenacity': 'pain'. 'brain'.

The main figure of speech used is Repetition, as seen in the abundance of 'for it' phrases used throughout the poem. The other figures of speech are Climax, Tautology, Antithesis, etc. This is an inspirational poem. It motivates one to set targets and achieve goals. The poem is rich in ideas for personality traits and circumstances that aid or hamper success.

My favourite line is: If dogged and grim you. This line is a very forceful Alliteration, motivating us to persist forcefully with our efforts in order to achieve success.

I like this poem because it encourages me to be persistent and to keep on striving for success - because that's the only way to achieve it.
