### **Guru Ghasidas Vishwavidyalaya UG Admission Process 2023**

The UG admissions of Guru Ghasidas Vishwavidyalaya through CUET will commence after the CUET UG Result 2023 is announced. Candidates, who have applied for GGV for the undergraduate course, appeared for the examination and qualified in the examination, are eligible for the further rounds of admission. After the results are declared, the first thing qualified candidates should do is to fill in the admission form, which will be made available on the official portal of the University. After filling up and submitting the admission form, candidates are advised to check the official website of the GGV regularly for the latest updates.

Guru Ghasidas Vishwavidyalaya will release a merit list on its official portal after the submission of the admission form. Each participating university of CUET 2023 has its own rules and regulations to select for the merit list. The selected candidates whose names reflect in the merit list will be called for the counselling process. After that, the candidates must pay the fee and attend the regular classes.
