Q.154	A. It is a "holding together" federation.	1
Q.155	<p>D. The central government in the USA does not hold more power than the individual states.</p> <p>Correct Answer Explanation:</p> <p>Even though the USA is a federation, all states have equal power and are not governed by the central government. Hence, option 4 is the correct reason for this difference in Indian and American politics.</p>	1
