For the qualified candidates, Rajiv Gandhi University initiates online registration post-declaration of CUET 2023 results which will be released in the third week of June 2023.

Modernization in the education of India has come at different levels, especially in higher education throughout the ages. The roles of university, college, teachers, and the taught in bringing this modernization are really noteworthy. This year India has again witnessed a grand renewal in the higher education admission system with CUET 2023. UGC appealed to all the central universities first and then the state and deemed to be universities to come under the rules of the Common University Entrance Test. The purpose was to help both the universities and students with a single platform so that the admission procedure gets smooth for them. By agreeing to the UGC's decision, Rajiv Gandhi University is conducting their UG admission through CUET for the academic session 2023-2024.

Situated in the Rono Hills, Doimukh in the state of Arunachal Pradesh Rajiv Gandhi University is existing as a leading educational institution. The university aims at contributing to socio-economic and cultural upliftment through its teaching and research facilities. It started working on April 1, 1985 and became a central university on April 9, 2007. Numerous graduate courses in Fine Arts, Music, Computer Application, Geology, Education, Physical Education etc. are offered by the university. And it has brought all these courses under the CUET.

### **Rajiv Gandhi University UG Admission Process 2023**

Candidates must be well-informed about the admission process of Rajiv Gandhi University UG Admission 2023. The process for admission is mentioned below:

Candidates have to fill in the UG Admission form for the course they want to enrol in.

The admission form will be available on the official website of the university.

The university will give prior notice on the same platform.

As per the rules, the university is liable to prepare a merit list for all the courses it offers for UG admission.

The list will be prepared based on the candidates' scores earned in the CUET 2023 exam.

The list of the shortlisted candidates will contain the names and ranks of the eligible candidates.

The minimum required marks can be set depending on the courses it offers.

The merit list will be then published on the official website of the university.

The candidates enlisted in the merit lists are eligible to attend the counselling sessions.

Candidates must appear in the counselling sessions on the scheduled date and time.

The selected candidates will then need to pay the course-wise admission fees as instructed by the university. If any candidate fails to pay the admission fees within time, his/her seat allocation will get cancelled.

Candidates must carry all the original documents (as prescribed by the university) on the date of admission.

Rajiv Gandhi University UG Admission 2023 through CUET will start after the declaration of the CUET 2023 results. The university will consider the CUET score for taking in students.
