Shri Lal Bahadur Shastri National Sanskrit University UG Admission Application Process

The university clearly stated in its advertisement that candidates willing to apply for the Shastri and B.A. in Yoga courses need to follow the National Testing Agency's application format. The CUET 2023 application guide mentioned by NTA is as follows:

Step 1: Candidates need to register at the official portal of CUET which is <https://cuet.samarth.ac.in>.

Step 2: Click on the Apply Online tab and thus the registration process will be initiated.

Step 3: To complete the registration process, candidates need to provide a valid email id and contact number. A strong password must be created according to the specifications mentioned by NTA.

Step 4: A system-generated application number is then mailed to the candidates' registered mail id as proof of successful registration.

Step 5: The application number and password need to be used as the candidates' login ID.

Step 6: After the successful login, candidates need to fill up the CUET Application Form 2023 with the personal and academic qualification details.

Step 7: In the next stage of the application process, a photograph, scan copy of the signature and other documents need to be uploaded. While uploading the candidates must follow the dimension specifications prescribed by the NTA.

Step 8: Selection of test centres, programmes, universities, and colleges should be entered according to the candidates' preferences.

Step 9: A review of the included data must be done carefully.

Step 10: Modify if any changes are required. No modifications will be permitted at the next stage.

Step 11: Pay CUET 2023 application fees through credit card/debit card/internet banking.

Step 12: After the successful fee payment, candidates need to take the printable fee receipt.

Shri Lal Bahadur Shastri National Sanskrit University UG Admission Process

The CUET UG 2023 exam date will be announced soon. The exam will be conducted by the National Testing Agency. After the exam, the agency will hand over the scores of the candidates to all the universities that participated in the CUET 2023 exam. But the agency will not prepare merit lists or organize any admission process. Both the tasks will be performed by the universities and they are permitted to follow their own rules for candidates' selections.

However, the basic criteria for the candidates' section would be based on CUET 2023 scores. Another parameter would be the university-prescribed eligibility criteria. Considering these two parameters, the universities will prepare a merit list. Each candidate selected on the merit list will be given a rank. Then they will be called for the counseling sessions/interview. A candidate will be finally admitted according to the performance of the interview/counseling, seat availability, etc.

For the Shri Lal Bahadur Shastri National Sanskrit University UG Admission, candidates have to mandatorily appear in the Common University Entrance Test 2023. The university will bring a notification on the admission dates, fees, etc. on its website after the announcement of the CUET 2023 result. For the latest admission information, candidates can follow the news and events section of the website. The following general admission process is maintained for any admission under this university:

The candidates register at the admission portal of the website.

University asks for the candidates' details for registration.

After the registration, candidates log in to their account with their registration Id and password.

On the dashboard, an application form is generated which the candidates fill up with the required details.

A scanned copy of the candidate's photo and signature is required. University allows JPG, JPEG, or PNG format only.

Candidates upload the documents of academic qualifications according to the size specifications.

Candidates pay the prescribed amount of admission fees at the stipulated date.

Without a good score, it won't be possible to get Shri Lal Bahadur Shastri National Sanskrit University UG Admission through CUET. Therefore, the candidates need to prepare their CUET 2023 study plan and preparation strategy as soon as possible.
