EFLU UG Admission 2023 Application Process

The students willing to pursue different Undergraduate courses from English and Foreign Languages University need to fill the application form for CUET 2023 in an online mode. The form will be made available on the official website of the examination conducting body, i.e. NTA CUET 2023. The students must note down the following steps in order to apply online.

Step 1- First of all, students must visit the official website of the CUET for applying online.

Step 2- The students need to click on the 'Apply Online' tab to register for the undergraduate program for the academic session 2023-23.

Step 3- On the home page of the website, the students will then be able to see different options for undergraduate and postgraduate programs. They need to select the right link for them.

Step 4- The students should complete the registration process by providing the basic details such as the name of the candidate, Email id, date of birth, mobile number, and verification code as reflected on the screen.

Step 5- After submitting all the basic and required details, the application number and password get generated and the same is sent to the registered mobile number and email id of the students.

Step 6- The students can then log in with the help of the application number and password and fill the personal and academic qualification details as desired.

Step 7- The students need to upload the scanned signature and photograph in the prescribed format and must take care of the dimensions and formats as mentioned on the official website.

Step 8- The students need to select the exam centres of their choice. The students can choose up to 3 exam centres and they usually get their preference of the first chosen centre.

Step 9- The students then need to enter the details of the college or the university where they are looking for admission and program they are looking for.

Step 10- The students then need to pay the application fee in either online or offline mode and then submit the application form. Once the fee is submitted after submitting the application form, an automated message gets generated and sent to mobile number and registered email id. The application fee can be paid through debit card, credit card, net banking, and SBI challan.
